**This organite stands out for its small and handy shape. It can prove to be your best ally, wherever you are, because you can have it always with you in your pocket! It has all of the advantages of an organite at the best price. Many people choose to combine this organite with an organite pendant, for maximum protection.**

**Recommended for:**

- While being away from larger orgonites.
- When you need discreet orgonite protection.

### **Usage specifications for greater results:**

- Ideally, you can put the pocket orgonite in your left pocket, to the side of the spiral coil (base) resting on your body.
- Due to small size, this orgonite's range is not very wide, so it is better to carry it on you than to leave it somewhere it will not come into direct contact with your aura.
